Budget Narrative

The LIGHT House projects spending \$280,962 in costs covered under the Alternatives to Abortion (A2A) contract.

Based upon historical data we assume that the A2A eligible clients will make up approximately 72% of the total clients served through our maternity home program.

Total direct administrative costs are \$322,250. Assuming A2A eligible clients comprise 72% of our maternity home population, the amount of A2A eligible expenses (including the 10% de minimus) is \$255,222 annually.

Direct participant services (transportation, allowances, supplies, food and recreation) budgeted amounts total \$35,750 per year. Again, assuming A2A eligible clients make up 72% of the maternity home population, the amount of A2A eligible costs in direct participant services total \$25,740.

The total of direct administrative costs and direct participant service costs for A2A eligible clients is \$280,962.

Mary Ann,
Please find attached the amendment and "APPROVED" budget for The LIGHT House.

The original documents received contained an error in calculating the 10% de minimus, and the budget breakdown was unclear to what expenditures would be applied to the TANF funding. LIGHT House was asked to submit new documents thus resulting in a new page 2, budget breakdown, and budget narrative.
Thanks.

Budget Narrative and Budget/Price Analysis

Attached is a copy of the 2017 operating budget for The LIGHT House. The highlights as they pertain to this particular contract are:

1. Total direct budgeted expenditures for the group home total \$366,000.
2. The total costs of operations that are attributable to all programs are \$214,287 (listed under Operations on page 4).
3. The group home expenditures are 64% of the total program costs.
4. Applying 64% to the Operations portion of the budget allocates \$137,144 to the group home program, resulting in total projected expenditures of \$503,144 for this program.
5. Our average projected census for clients eligible for this funding is 2.5 per month, which is 50% of clients served.

Julie, attached please find a signed copy of amendment 001 along with information on the budget and our pricing.

After reviewing our calculations, we determined we were better served to not request the maximum available, so I would ask you to void the amendment I sent you earlier this week and use this one instead. I trust this will not cause you too much difficulty. Part of that is due to the transiency and uncertainty of the clients served in our outreach program who would be eligible, we decided to only consider those residents receiving residential services.

Please let me know if additional information is needed.

DATE: July 19, 2017
RE: Renewal/Amendment to the Alternatives to Abortion Program Services Contracts

The Department of Social Services has requested the Alternatives to Abortion Program Services contracts, CS170042001 through CS170042009, be renewed with a funding increase pursuant to House Bill 11, section 11.120, lines 2 through 6. Pursuant to paragraph 2.12.3 b. of the RFP portion of the contract, funds may increase at the time of renewal if funds are appropriated by the General Assembly.

The contracts are also being amended as follows:

2. As a result of the transfer of administrative responsibilities, Attachment 3 is being revised to reflect the correct state agency.
3. Attachment 5 is being revised to reflect the appropriate contract period.

Due to the legislature including a rate increase in the Fiscal Year Budget via House Bill 11 (see attached) and is allowed by paragraph 2.12.3 b. of the contract, I am processing the renewal to the contracts allowing a price increase.

Additionally, 1 CSR 40-1.050 (8) states, "*Contracts awarded as the result of a competitive solicitation may be amended when such an amendment is in the best interest of the state and does not significantly alter the original intent or scope of the contract.*"

Therefore, since the intent and scope of the contract are not altered, I am proceeding to amend the contract as requested.

Thank you!

In response to (1), funding increase was based on HB 11, section 11.120 lines 2 through 6 minus 3% Governor's reserve on the general revenue portions (line 4) and per DSS upper management, line 6 funding amount was not included (if you need a copy of the HB, just let me know).

In response to (2), funding allocation approximate percentage was taken from section 3.3.2 of the RFP. This percentage was multiplied against the total funding allocation available for FY18 (HB11, section 11.120, lines 4 through 6) which gave the amount of funding for each of the 9 regions. Each region amount was based on # of awards made for each region as outlined in subsection of 3.3.2. Determination on who received the highest percentage is based on ranking from the evaluation process.

Please let me know if there is any additional information needed.

Hi Joy,
Since things have changed with the maternity home funding method we haven't used as much funding. I think we better stay with our original amount at this time so the money can be put to good use elsewhere.

Subject: A2A FY18 Funding

Abigail,
Question for Laclede County Pregnancy Support Center....For FY2018 the A2A program was given additional funding. Would Laclede County Pregnancy Support Center be able to spend the extra funding in FY2018 if awarded?

We are possibly looking at more than what was stated for maximum annual total price on the contract award page from OA. DSS wants to make sure everyone can use the extra funding without lapsing any.
